Hi Team Managers

Thanks for making yesterday afternoon the perfect finish to our league. The final table is given below. What Anne Bailey said about the improvement in the play of, particularly, our newer bowlers was spot on. The competition marries in nicely with the Aggregates.

The players comments were much appreciated. We shall run the league next year on Mondays at 2pm. We need squads of at least five players to ensure continuity. I hope that you will take part again.

Have a great winter.

All the best

Paul

Hi Team Managers

Firstly, very many thanks to you for supporting this new format by getting teams out and participating in the games. It has not always been easy with the hot weather, injuries and holidays but we have got to the end of the season. We shall discuss how things went and then decide whether to repeat the league next year and, if so, work out how we can improve it.

But for now, we have the last games and our end of season get together with the presentation of rewards this Monday. **GAMES WILL COMMENCE AT 2PM THIS WEEK - PLEASE NOTE.**

You may use all your members in this week's games, playing rolling subs as you wish.

After the games we shall have some sandwiches and cakes washed down by a hot drink or something from the bar. Anne Bailey, WWBC President, will be joining us to present the awards. There will be a variety of awards, not just for the league winners.

I shall be getting in the refreshments so just need to know how many of your squad members will be there (I have Graham's already) so I get the amount of food just right. **Please can you let me know by tomorrow evening, thank you.**

On the day, I shall need some help laying things out and making the teas/coffees, if any of the players can assist.

The final games are shown below.

Hopefully, we get a sunny day.

All the best

Paul
