

Fellow Members

The season is now firmly under way, and I hope everyone is enjoying their games, whether it be a Roll-up, a Friendly, a PCL/LX game. or an internal club competition, and together with the social gatherings that follow each game.

This year our club is to host six Kent County Bowls Association cup games. To facilitate these games, the club requires volunteers to help set-up the green for play and to organise the parking in the car park. Plus, a tidy up the club house if required.

Once we have completed our tasks the control of green will be handed over to the KCBA officials for the remainder of the afternoon.

I am hoping everyone who helps will stay to watch and support Kent, and to pick up any tips that may help you to improve your own game, I know I will.

Following the game, we will need to put all the equipment back in the shed or clubhouse, and tidy up the table and chairs, and to clear any drinks glasses left outside back to the bar.
