---

Hi all,

**Re Aggregates summer season 2024**

Well summer is nearly back with us and we hope everyone has had a good winter and for those who played indoor bowls a successful season.

Aggregates for this year will be played on Tuesday & Thursday with the first session starting on Tuesday 23<sup>rd</sup> April.

Aggregate sessions will be managed the same as last season with Mark Jackson & John Urie organising Tuesdays and Mick Burch & Chris Slack on Thursday. There will be a session fee of £ 2.00 for all participants with £1 going towards the club for tea and biscuits and £1 going towards prize money and end of season meal.

Please can those wishing to play in the aggregates be at the club by 1.45pm prior to start of sessions, this will then give those organising the days play enough time to prepare and pick teams for each rink.

We are looking forward to seeing everyone for the start of season on April 23<sup>rd</sup> – let's hope the sun is shining !!

Regards

The aggregates committee

Mark and Tracey Jackson
